Chair

Table

Chair-To-Table Design

- Takes patient from consultation to examination
- 18" low height for easy and safe patient transfers
- Return to chair feature easily takes table back to chair position in one simple step (on power back model only)

Standard Patient Transfer Grab Bars

- Provides patients a stable and secure grab point to use when getting on and off table
- Conveniently swings out for lateral wheelchair transfers
- Easily removable

Pass-Through Work Surface

- Pulls out on either side
- Saves space by eliminating the need for additional stands or trays
- Perfect for charts, instruments, procedure preparation, or portable computer

Intuitive Foot Control

- Moisture resistant; Low voltage
- On / off switch located on the back of table allows table's foot control to be disabled and prevents patients and / or children from moving the table

Comfortable, Ergonomic Upholstery

- Seamless, easy to clean surface
- Medicinal stain resistant
- Available in 15 standard colors and UltraLeather™ plush upholstery

Ergonomic Stirrups

- Standard, extendable, adjustable
- Conveniently stored in the table
- Manually extended through infinite positions and four lateral positions

Brewer

Furnishing solutions for safe practices.
